

We recently learned that our radio signal for K-LOVE may be replaced by an LPFM. We'd like to write you to show our support for K-LOVE and express that we believe K-LOVE is important to not only our family but also the community around us. This station offers programming that is encouraging, uplifting, enjoyable, and clean, something that can often be rare today. : ) Even more than that, it offers spiritual nourishment in a way that is culturally relevant. We know many others in our community who listen to K-LOVE and who appreciate and are touched by its positive impact. We believe that through its music and message, K-LOVE encourages, inspires, and challenges its listeners to be more loving, more productive, more caring in the world around them. We, ourselves, have benefitted greatly from K-LOVE and would be saddened if others would not be able to experience the encouragement, entertainment, and hope of this radio station. Thanks!
